Dear Mr. Stacey:

On July 1, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

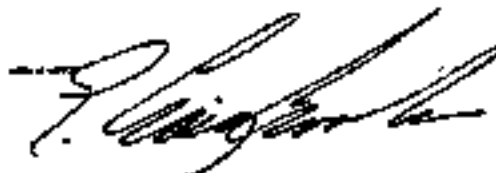

Your July 14, 1998 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission is in receipt of your Amended Year End and April Quarterly reports dated July 14, 1998. However your response does not answer the Commission's question pertaining to these reports. According to your amendment, you have changed your "federal operating expenditures" from Line 21(a)(ii) to Line 21(b). This amendment does not change the fact that your reports disclose limited payments for administrative expenses. These expenses include, but are not limited to, rent, salaries, utilities, telephone service, office equipment and supplies. You should amend your reports to show that these expenses have been adequately disclosed. If any of these services have been provided by volunteers, please confirm this in writing.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Andrew Dodson on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. Gibson", written in a cursive style.
